

Request for Special Temporary Authority

HC2 Station Group, Inc. (“HC2”) respectfully requests Special Temporary Authority (“STA”) to operate WMVH-CD (Charleroi, PA; Facility: 68394) (“WMVH-CD”) at reduced power. HC2 is diligently researching the opportunity to purchase equipment and facilitate a resumption of operations at full power.

HC2 is operating in a resource-constrained environment due to the ongoing 600 MHz Incentive Auction repacking process. Broadcast station licensees currently have access to far fewer resources than they would have otherwise, a factor that the FCC and its bureaus acknowledged could become an issue when designing the repacking process to facilitate this “once-in-lifetime opportunity to expand the benefits of mobile wireless coverage.”¹
