Hossein Hashemzadeh
RE: Channel Change

Dear Mr Hashemzadeh

Juab County, licensee of K41LL-D, Facility ID 182174 initially filed for a repack channel of 24 by mistake. With this amendment, Juab County is requesting your consideration in changing channel 24 to channel 20. A channel 20 will better serve the residents of Juab County in a very congested spectrum of channels.

Respectfully,

Mauri Kent Parsons
Juab County Technical Representative
