Station WAHU-CD
999 Second Street S.E.
Charlottesville, VA 22902

Mr. Free

It is DTVPros understanding that WAHU is requesting FCC authorization to transition from Channel 40 to repacked Channel 35, earlier than its assigned phase 8. This letter is to confirm that efforts by DTVPros to complete equipment for WAHU's earlier transition will not impair DTVPros ability to supply equipment for other early phase stations to complete their transition during their assigned phases.
