

Request for Special Temporary Authority

DTV America Corporation (“DTV”) respectfully requests Special Temporary Authority (“STA”) to operate KZLL-LD (Joplin, MO; Facility: 186286) (“KZLL-LD”) on Channel 24 at its current, granted location.

DTV is operating in a resource-constrained environment due to the ongoing 600 MHz Incentive Auction repacking process. Broadcast station licensees currently have access to far fewer resources than they would have otherwise, a factor that the FCC and its bureaus acknowledged could become an issue when designing the repacking process to facilitate this “once-in-lifetime opportunity to expand the benefits of mobile wireless coverage.”¹
