

Request for Special Temporary Authority

DTV America Corporation (“DTV”) respectfully requests Special Temporary Authority (“STA”) to operate KPJO-LD (Pittsburg, KS; Facility: 127415) (“KPJO-LD”) at its current, granted location at reduced power.

DTV is operating in a resource-constrained environment due to the ongoing 600 MHz Incentive Auction repacking process. Broadcast station licensees currently have access to far fewer resources than they would have otherwise, a factor that the FCC and its bureaus acknowledged could become an issue when designing the repacking process to facilitate this “once-in-lifetime opportunity to expand the benefits of mobile wireless coverage.”¹
