

Extraordinary Circumstance KXUN-LD Channel 26 Fort Smith, AR

Due to Facility construction & equipment issues, Pinnacle Media, LLC is not able to construct to the authorized Construction Permit for KXUN-LD on Channel 5 as planned in the initial STA application. Until these issues can be resolved KXUN needs to extend their current STA on Channel 26. The manufacture is replacing the original transmitter. We expect that this replacement will be completed and installed within 120 days. This is extremely important as KXUN is the local Univision affiliate in Fort Smith.

The public good will be served by the continued operation of this station. Rural Arkansans rely on OTA Television for Local Event, Extreme Weather conditions and entertainment. Pay TV in many cases is either unavailable or cost prohibitive in rural areas of Arkansas.
