Re: DTV License

To J.R. McDonald:

Per your request, the Department of Commerce has evaluated the effects of K48MN Channel 22 proposed operation on the Table Mountain Radio Receiving Zone (Table Mountain). Based on this evaluation, the Department is pleased to inform you that the request has been successfully coordinated.

This coordination is based solely on technical information submitted to our office and not on the actual measured signal.

We do not expect interference to Table Mountain users. Should a problem arise, we reserve the right to request modifications to your operations.

Regards,
