

### **KVPT-TV Coverage Verification**

KVPT-TV has acquired the services of Hammett and Edison to perform comprehensive coverage verification via field study for its post-auction channel (CH-32) which began transmitting on 15 October 2018. Testing shall be performed in accordance with ATSC A/75 ATSC Recommended Practice: Developing DTV Field Test Plans for coverage verification and will commence on 22 October through 26 October.
