

**3Q 2018 TRANSITION PLAN PROGRESS REPORT**

An issue involving the FCC's Licensing and Management System prevented Licensee from filing this Schedule 387 report under the appropriate reporting period (i.e., Third Quarter 2018) in LMS; accordingly, on the guidance of FCC staff, this report is being filed using the LMS's heading for Second Quarter 2017 but specifies the transition status of KAVU-TV as of Third Quarter 2018.
