

Request for Special Temporary Authority

HC2 LPTV Holdings, Inc. (“HC2”) respectfully requests Special Temporary Authority (“STA”) to operate KTOU-LD (Oklahoma City, OK, Facility: 28186) (“KTOU-LD”) on Channel 22 at the currently licensed location. HC2 is currently in the process of building the facility per the recently granted Displacement Application: 0000051682.

HC2 is operating in a resource-constrained environment due to the ongoing 600 MHz Incentive Auction repacking process. Broadcast station licensees currently have access to far fewer resources than they would have otherwise, a factor that the FCC and its bureaus acknowledged could become an issue when designing the repacking process to facilitate this “once-in-lifetime opportunity to expand the benefits of mobile wireless coverage.”¹
