File no.: 0000059839

Dear Applicant:

On October 25, 2018, the licensee as addressed above was sent a 30-day deficiency letter outlining the following issue:

Specifically, the protected contour for the proposed digital modification application LMS-0000059839 does not overlap with the protected contour of the existing digital license application file number BLDTL-20140218AAA.

You were given 30 days from the date of that letter to file an electronic amendment to resolve the issue. Our records show that as of November 30, 2018, no amendment has been filed to resolve the above deficiency; therefore, the above referenced proposal LMS-0000059839 IS HEREBY DISMISSED.

Sincerely
