

Statement Regarding Amendment to Resolve Mutually Exclusive
Applications in MX Group 63

Reference is made to the Public Notice released October 30, 2018 (DA 18-1108) Incentive Auction Task Force And Media Bureau Announce Settlement Opportunity for Mutually Exclusive Displacement Applications Filed During the Special Displacement Window.

This amendment resolves the mutually exclusive applications of MX Group 63 (MX Group 63 consists solely of two applications for displacement relief to channel 21 filed by KFPB-D and KGRQ-D).

Under this amendment, KFPB now seeks displacement to channel 25. KFPB's new channel proposal does not create a new mutual exclusive situation or conflict with any other application previously filed in the Special Displacement Window. As a result, KFPB's application for the construction permit to channel 25 should be **GRANTED**.

This Amendment leaves KGRQ as the sole applicant for channel 21 and, as a result, its application for the construction permit for channel 21 should be **GRANTED**.
