

Statement Regarding Filing

This statement is being filed to inform the Commission that WUPV License Subsidiary, LLC consummated its Commission-approved assignment of the license for television station WUPV to Gray Television Licensee, LLC ("Gray") effective January 2, 2019. The parties have informed the Commission of the consummation, however, due to the ongoing federal government shutdown, the Commission has not yet processed that notice, and accordingly, WUPV License Subsidiary, LLC remains the licensee of record in the Commission's databases, including LMS. As a result, WUPV License Subsidiary, LLC is submitting this application on Gray's behalf.
