

Extraordinary Circumstance
For Temporary Silent Authority
KFAW-LD Ch 32 Midland, TX

KFAW-LD Channel 32 seeks permission to go silent temporarily due to damages that occurred to Channel 32's transmission line when Dish Network installed their antennas on the same tower Channel 32 is currently operating on. Channel 32 has had to be shut down in order to prevent further damages to their transmission equipment.

Channel 32 is seeking a remedy from Dish Network to restore their station to its previous state of operation. Channel 32 does not wish to, or expect to be dark for whole term of the silent authority it seeks, and looks forward to turning back on as soon as its operating problems have been solved.
