

# Extraordinary Circumstances

The extraordinary circumstances which warrants this Silent Authority is WJJN-LD was operating on channel 49, outside of the spectrum auction "core" of channels 2-36.

WJJN-LD was granted a construction permit to operate on Channel 20, however, Channel 20 is currently being used by WCOV-TV in Montgomery, AL., So WJJN-LD cannot begin operation on channel 20 till WCOV-TV moves to Channel 22.

This is the STA mentioned in the WJJN Silent STA to operate on Channel 20 at a lower power to not cause WCOV-TV interference, yet allow the station to return to the air before the one year anniversary of being silent.
