

## Construction Permit Condition -- Notification of Health Care Facilities

Pursuant to the condition set forth in the subject construction permit for modification of the WFNY-CD facilities (LMS File Number 0000034441), Michael Sleezer identified 28 health care facilities within the WFNY-CD service area and notified those facilities in advance of WFNY-CD's proposed operation on Channel 16 commencing as of March 1, 2019 and other relevant technical details such as the effective radiated power, the antenna location and the antenna height. Documentation regarding the notifications has been placed in the station's Public Inspection File. To date, Mr. Sleezer has received no notification of medical devices malfunctioning due to the operation of WFNY-CD on Channel 16.
