

REASON FOR LEGAL SPECIAL TEMPORARY AUTHORITY

V.I. Christian Ministries, Inc. ("VICM"), licensee of WMNS-LD, was seeking to extend the existing Silent STA (LMS File No. 0000059408) but the LMS system did not offer the option of extending the STA. Due to the existing STA expiring on March 6, 2019, and upon speaking to FCC staff regarding this issue, we were instructed to submit a request for Legal Special Temporary Authority in the interim. The equipment has arrived and it is anticipated that reconstruction will be completed within three (3) months.
