

FCC Form 2100, Schedule 398
Children's Television Report First Quarter 2019

By this submission, station WLCU-CD is timely filing its Children's Television Programming Report for the First Quarter of 2019. While this submission is being filed as an amendment to file number 0000067468, the information in this amended report, which is correct for the First Quarter of 2019, has not previously been provided to the Commission. Rather, as originally filed, the report in file number 0000067468 was intended to be the station's Fourth Quarter 2018 report and the information in it, as originally submitted, was correct for the Fourth Quarter of 2018. However, the station inadvertently selected "report reflects information for First Quarter of Year 2019" at the top of the report. The LMS does not allow the station to amend file number 0000067468 to correct the quarter information shown at the top. Therefore, the station hereby amends the remainder of the information in file number 0000067468 to reflect the First Quarter of 2019 and will file a new report which re-submits the information for the Fourth Quarter of 2018.
