ENGINEERING REPORT

W16DV-D (Previously W38EI-D), to Auburn, AL LPTV (Channel 16)

Request for Waiver of 47 C.F.R. Section 73.3517—Contingent Application Rule

Waiver of 47 CFR Section 73.3517—the contingent application rule—is hereby requested with respect to Class A station WYBU-CD, Columbus, GA (Facility ID 17544). WYBU-CD is licensed on channel 16; and the channel 16 licensed facility of WYBU-CD is predicted to receive 12.88 percent increased interference from the herein proposed channel 16 facility. WYBU-CD is due to transition to channel 26 (and has an authorization to do so—LMS file number 25321).

Since the displacement channel application 54791 (of this facility—facility no 64340) was submitted in the LPTV displacement filing window that allowed for these contingencies, a waiver is requested for this further site-move of facility id 64340.

To comply with Section 73.3700(g)(2) of the Commission's Rules, the Applicant agrees that it will not begin transmitting on Channel 16 prior to the discontinuation of WYBU-CD's operation on channel 16.
