

**Public File Certification**

In making this certification, Licensee has reviewed the online public inspection file for the station. As used in this Certification, the phrase “to Licensee’s Knowledge” means to Licensee’s actual knowledge, regarding and without further investigation other than as described in this exhibit. Based upon and subject to these qualifications, to Licensee’s Knowledge, all documents required by 47 C.F.R. § 73.3527 to be uploaded to the Licensee’s online public inspection file have been uploaded in a manner that materially complies with Commission requirements.
