Application for Construction Permit
LMS File No. 0000054808
Fac. ID No. 130477

MX Group No. 76

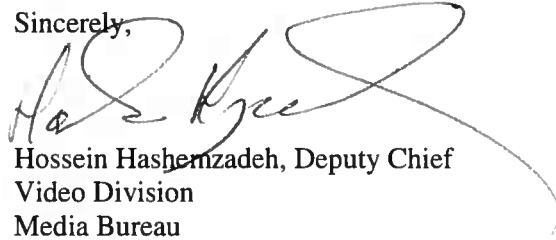

Dear Applicants:

This concerns the above-referenced displacement applications for digital low power television stations filed by HC2 LPTV Holding, Inc., (HC2), licensee of WKOB-LD, New York, New York; KRCA License, LLC (KRCA), licensee of WASA-LD, Port Jervis, New York; and Venture Technologies Group, LLC (Venture), licensee of W28ES-D, New York, New York. You have submitted a settlement agreement to resolve the mutual exclusivity among these applications. Pursuant to the settlement agreement, KRCA has agreed to dismiss its application and will channel share with HC2 on WKOB-LD's displacement channel. HC2 has acquired

W28ES-D from Venture¹ and has asked that the displacement application for W28ES-D be dismissed. These actions will resolve the mutual exclusivity among the only applications in MX Group 23.

Upon review of your settlement agreement, engineering amendment and related documents, we find that it complies with Section 311(c) of the Communications Act, Section 73.3525 and the Commission's technical rules. Wherefore, the application for HC2 is hereby **GRANTED** and the applications of KRCA and HC2 (previously Venture) are hereby **DISMISSED**.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hossein Hashemzadeh', is written over the typed name and title.

Hossein Hashemzadeh, Deputy Chief
Video Division
Media Bureau
