

AM Certification  
Online Public Inspection File  
Station WZHF(AM)

All documents required to be placed in the online public file were uploaded in a timely fashion except for the following:

Four Quarters of 2017 Issues/Programs Lists;  
1<sup>st</sup> and 2<sup>nd</sup> Quarters of 2018 Issues/Programs Lists;  
Renewal Pre-Filing Announcements Certification.

The issues/programs lists for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> quarters of 2017 were uploaded on August 17, 2018; the issues/programs list for the 4<sup>th</sup> quarter of 2017 was uploaded on August 1, 2018; and, the issues/programs lists for the 1<sup>st</sup> and 2<sup>nd</sup> quarters of 2018 were uploaded on August 9, 2018. The delayed inclusion of these documents in the public file was entirely inadvertent and related to a misunderstanding following a major programming change. Once the licensee realized these documents were missing from the WZHF public file, they were included. The employees responsible for maintenance of the online public inspection file take this responsibility seriously and will make every effort to fulfill the FCC's public file obligations going forward.

The renewal pre-filing announcements Certification was uploaded one day late, on May 24, 2019. The delayed uploading of this document was entirely inadvertent and, as soon as the licensee realized this document was missing from the online file, it immediately included it.
