

### **Outreach Efforts**

iHeartMedia stations strive for broad and inclusive outreach. Examples of the efforts made by stations in this employment unit include participating in local job fairs as well as interacting with local community and business groups to expose them to careers in broadcasting.

For additional information concerning the outreach efforts undertaken by stations in this employment unit, see the attached EEO Public File Reports.

During the two-year period covered by this Broadcast Equal Employment Opportunity Program Report, the stations have experienced no notable difficulties in our outreach efforts as of the date of this application.
