BROADCAST STATION WSKS-FM,
SOUTH HILL, VA (FIN: 50234)
FCC FORM 2100, SCHEDULE 303-S –
APPLICATION FOR RENEWAL**

PUBLIC FILE

Lakes Media, LLC (“Lakes” or “Applicant”) hereby discloses that the issues programs list of Station WSKS-FM for the third quarter of 2018 was inadvertently uploaded a day late. Lakes has since instituted a new calendar reminder system to prevent recurrences and ensure timely placement of materials in the Station’s public file.

Additionally, Lakes did not previously upload a separate list of the organizational document described on its Ownership Report.

To the best of Lakes’ knowledge and belief, all other issues program lists and other materials were timely placed in the public file during the license term, although some files may have originally been uploaded to incorrect locations.
