

### **Outreach Efforts**

iHeartMedia stations strive for broad and inclusive outreach. Examples of the efforts made by stations in this employment unit include hosting local job fairs and promoting careers in broadcasting at events sponsored by local educational institutions and community organizations.

For additional information concerning the outreach efforts undertaken by stations in this employment unit, see the attached EEO Public File Reports.

During the two-year period covered by this Broadcast Equal Employment Opportunity Program Report, the stations have experienced no notable difficulties in our outreach efforts as of the date of this application.
