MX Group No. 8

Dear Applicants:

This concerns the above-referenced displacement applications for digital low power television stations filed by New York Spectrum Holding Company, LLC (NY Spectrum), licensee of KMMC-LD, San Francisco, California; Word of God Fellowship, Inc. (WOGF), licensee of KDTS-LD, San Francisco, California; and One Ministries, Inc. (OMI), licensee of KQTA-LD, San Francisco, California. You have submitted settlement agreements to resolve the mutual exclusivity among these applications. Pursuant to a settlement agreement, NY Spectrum and OMI have agreed to dismiss their applications and will channel share with WOGF on KDTS-LD's displacement channel facilities. These actions will resolve the mutual exclusivity among all of the applicants in MX Group 8.

Upon review of your settlement agreements, engineering amendment and related documents, we find that they comply with Section 311(c) of the Communications Act, Section 73.3525 and the Commission's technical rules. Wherefore, the application for WOGF is hereby **GRANTED** and the applications of NY Spectrum and OMI are hereby **DISMISSED**.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hossein Hashemzadeh', written in a cursive style.

Hossein Hashemzadeh, Deputy Chief  
Video Division  
Media Bureau
