Q2 2019

This is to certify that Television Station KSTS (the "Station") has verified that for Channel 48 Telemundo, Channel 11.1 NBC and Channel 48.2 TeleXitos (the "Networks"):

The targeted age range for the three hours of Children's Educational and Informational Programming broadcast per week by the Networks is 13 years to 16 years. The Networks did not offer any other programs originally produced and broadcast primarily for an audience of children 12 years old and younger.
