

KRMZ, Steamboat Springs, Colorado  
Silent Status Notification

KRMZ rebroadcasts the signal of KRMA, Denver, Colorado, as delivered by satellite. The satellite service vendor, Comcast, has changed satellites and changed its encryption/decryption encoding. The station has been silent since this change occurred. KRMZ has ordered a new satellite receive and is working to schedule a tower crew to re-orient its earth station. KRMZ expects to resume service within two weeks.
