

### **Outreach Efforts**

Stations licensed to subsidiaries of Cumulus Media Inc. engage in a variety of activities designed to achieve broad and inclusive outreach. Examples of the efforts made by the stations in this employment unit include participating in several job fairs and sponsoring an event in the community designed to inform and educate the public concerning employment opportunities in the broadcast industry.

Additional information concerning the outreach efforts undertaken by the stations in the employment unit are reflected in the EEO Public File Report attached to this FCC Form 2100, Schedule 396, EEO Program Report.

During the period covered by the EEO Public File Report – and since the Licensee acquired control of the stations which comprise the station employment unit beginning on June 4, 2018 – the employment unit did not experience any notable difficulties in its outreach efforts.
