Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The proposal was filed to modify your existing digital license LMS-0000019036, displacing to digital channel 10, however, you currently have an active displacement modification of your license facility LMS-0000054864 for channel 06 with an expiration date of June 06, 2020.

You cannot have two active digital displacement modifications to your license facility at the same time, therefore, the above reference proposal LMS-0000075048 IS HEREBY DISMISSED.

Sincerely,

A handwritten signature in black ink, appearing to read "Hossein Hashemzadeh". The signature is written in a cursive style with a long horizontal flourish at the end.
