

WSRQ(AM) Online Public Inspection File

The current licensee, Lake Erie College of Osteopathic Medicine, Inc. (“LECOM”), acquired the station on December 10, 2018. Despite its reasonable efforts to recreate missing portions of the public file, LECOM has been unable to reconstruct the quarterly issues/programs lists from the Second Quarter of 2012 to the Fourth Quarter of 2015.

The 4th Quarter 2018 issues/programs list was not uploaded until February 14, 2019 following the end of the federal government shutdown. The 1st Quarter 2019 issues/programs list inadvertently was not uploaded to the online public file until July 1, 2019.
