

WAIVER OF INTERFERENCE

Mako Communications, LLC (“Mako”) is the applicant for a new Low Power Television Station, facility Id. No. 181666, on channel 35 in Beaumont, Texas (“New Station”). DTV America Corporation (“DTV”) has a pending displacement application, File No.: 000071919. By this application, DTV is amending its displacement channel selection to specify a new displacement channel, namely channel 35. This amended DTV displacement application is predicted to cause impermissible interference Mako’s pending New Station application.

Mako hereby agrees to accept any predicted or actual interference that may be caused by DTV’s displacement application to Mako’s New Station application.
