

**WXUS (FM) Online Public Inspection File**

During its most recent license term, WXUS (FM), Dunnellon, Florida (Facility ID No. 3056) did not fully comply with certain online public inspection file (OPIF) requirements as provided in Section 73.3526 of the Commission's rules:<sup>1</sup>

A number of the station's quarterly issues and programs lists were uploaded to the station's online public inspection file after the applicable deadlines. Licensee prepared those documents in a timely manner and, in most cases, placed them in the station's hard-copy public file, but due to administrative oversight, did not upload them to the online file on time. In addition, licensee uploaded to the online public file its EEO Public File Reports after the applicable deadlines.

New procedures are being put in place to ensure compliance with the OPIF requirements.
