We Request for Silent twice and after resuming operation we encounter zoning issues

WE APPLIDE FOR A STA ON AUGUST 6, 2018. THE STATION HAD BEEN RUNNING FOR THE FIRST 15 MONTHS 24 HOURS A DAY ON IN KIND DONATION AND WAS NOT ABLE TO STAY AT PRESENT LOCATION DUE TO THE HIGH OVERHEAD SO WE ARE LOOKING FOR ANOTHER TOWER LOCATION THAT WE CAN AFFORD WE JUST NEED THE TIME TO DO IT. SO WE ARE REQUESTING FOR SILENT DUE TO FINANCIAL REASONS

WE APPLIDE FOR A EXTENSION ON THE STA ON JANUARY 1, 2019 TO BUILD OUR TOWER AND TO BE APPROVED FOR ZONING. WE ARE DESIGNING AND CONSTRUCTING OUR PROPOSED TOWER AND SHELTER SO IT WILL MEET OR EXCEED REQUIREMENT OF THE LOCAL ORDINANCES FOR OUR LOCATION AND TO OBTAIN THE NECESSARY PERMITS FOR COMPLIANCE WITH THE ZONING AND ORDINANCES DEPARTMENT FROM THE CITY OF TAMPA. THIS EXTENSION WILL HELP WURK COMMUNITY RADIO MOVE FORWARD TO BE A VALUABLE RESOURCE IN ITS COMMUNITY.

SHORTLY AFTER RESUMING OPERATIONS ON AUGUST 3, 2019 AT OUR NEWLY-AUTHORIZED LOCATION, ZONING OFFICIALS INFORMED US OF ADDITIONAL REQUIREMENTS, SO WE SHUT DOWN UNTIL THAT IS COMPLETE, WHICH IS TAKING LONGER THAN ANTICIPATED. WE ARE IN RECEIPT OF FAA AERONAUTICAL STUDY NUMBER 2019-ASO-26764-OE AND ARE ACTIVELY INVOLVED WITH THE ZONING PROCESS AND REMAINING ZONING DELIVERABLES.
