INTERIM FACILITY REQUIRED – FCC FORM 387 NOTIFICATION

Pursuant to the email below from the FCC Reimbursement Team, Graham Media Group answered "Not Applicable" to the questions in the FCC Form 387 regarding an Auxiliary Facility and uploaded this attachment describing the status of the interim facility which is required in order for the WJXT facility to repack to its post-auction channel. An Auxiliary facility is not required.

Subject: Re: Form 387 Question

Hello Mr. Godfrey,

Apologies for the delay, we were working to find the answer to your inquiry. You should answer "Not Applicable" to the questions in regard to Auxiliary Facility and upload an attachment describing the interim facility.

Thank you and please let us know if you have additional questions.

Sincerely,
Emily

Reimbursement Team
