RE: PROGRAM CONTENT

To Whom It May Concern:

The purpose of this letter is to provide television stations with certified documentation that the producers of the *Jack Hanna's Wild Countdown* series design the program to educate and inform children 13-16 years of age.

Litton Entertainment is the producer of the *Jack Hanna's Wild Countdown* series. This is a live action, half-hour television program designed to meet the educational and information needs of children.

Wildlife expert and animal ambassador, Jack Hanna, brings the viewer face-to-face with the best of the beasts. In this weekly half-hour series that will engage viewers 13-16, as well as the whole family, Jack highlights his favorite animals and adventures from around the world. Presented in countdown style, Jack offers up a different 'top ten' each week in a variety of categories.

What are the top ten 'fastest animals in Africa,' 'tallest insects,' 'biggest eaters,' 'smartest birds'... Jack will answer all of these questions and more. As Jack reveals the categories, he gives further insights and interesting facts about the animals, allowing viewers of all ages the opportunity to be entertained, as well as learn more about the fascinating animal kingdom in *Jack Hanna's Wild Countdown*.

In order for parents, children, and listing services to clearly identify the programs as ones that fulfill the FCC programming requirements that meet children's educational television needs, each episode is closed-captioned and contains an E/I icon for the duration of the program with the recommended parental rating icon – typically, if not always, TV-G. Additionally, this E/I programming includes Video Description, which provides enhanced detail of the program's visual content and allows the program to be more accessible to a wide range of viewers including those with learning disabilities, autism, and visual impairments.

Sincerely,

Dave Morgan  
Litton Entertainment
