Engineering Statement

W43CB FI 6044

Applicant is seeking a waiver of Rule 312G to remain silent for an additional 9 months.

The applicant ceased operation on August 24, 2018 at the request of T-Mobile. As stated in the waiver request the Applicant has suffered severe financial setbacks.

The Applicant is dependent upon the "Reimbursement Program" to replace the equipment necessitated by the displacement into the new core.

The Applicant requests additional time, June 2020, to implement the change to Ch 3. Presumably, funds will be available sometime in the first quarter of 2020 and they can then place orders and schedule installation.

Respectfully submitted,

Susan Hansen
