

WEVV-TV (Facility ID No. 72041) License to Cover Application

BCBE License Subsidiary, LLC (“BCBE”), licensee of WEVV-TV, files this license to cover application. BCBE wishes to make the following revision to the data contained in the application:

**Antenna Technical Data**

Polarization: Elliptically Polarized

WEVV-TV was unable to update this application to include this revision due to a technical problem with the LMS system. LMS technical support staff has assigned Case Number 662435 to this request and is working to resolve this issue. However, to ensure compliance with the deadline for filing this license to cover application, WEVV-TV is submitting this application today.

Please incorporate the above revision into the application.
