**Request for Extension of Silent STA**

Rapid Broadcasting Company (“Rapid”) requests an extension of the Silent Special Temporary Authority (“STA”) granted to KWBH-LP (the “Station”) on May 10, 2019. The current STA expires November 10, 2019. The Station went silent due to problems with the transmission line.

Rapid is taking all steps possible to resume normal operation of the Station in an expeditious and timely fashion. Rapid needs an extension of the current STA until the transmission line work can be completed. Such an extension would serve the public interest.
