

KGDH-LP DECLARATION

I, Francisco Tijerina, a member of the Board of Director of Mobile Hispanic Educational Family Foundation (MHEFF), under penalty of perjury I declare the following.

On December 10, 2019, KGDH-LP was put on the air at American Tower site located on 254 Western Dr. Mobile AL 36607. Sleek Venture was contracted to build out the station. Photos of the construction are attached.

We are very thankful for the opportunity given, it has been a great undertaking but very satisfying at finally listening to KGDH-LP on the air for the first time. We can only thank everyone that has been involved in this project for the last 6 years from the first time our application was filed to the objection has had been filed against KGDH-LP. It has been great to learn how all this worked.

In the meantime KGDH-LP is going to be programing a POP format until more local programing would be introduced, while also putting on other NCE programming.

Again thank you for all that you have done and continue to do not only for MHEFF but for all of those like us that one day having a local station was impossible.

Sincerely

Francisco Tijerina
