

Facility Type

WHMX(FM), Lincoln, Maine (Facility ID No. 49690) (“WHMX”), is the primary station of W227BE, Orono, Maine (Facility ID No. 157973). WHMX is a noncommercial FM broadcast station. In the instant license to cover application for W227BE, however, LMS has incorrectly listed W227BE as a commercial station rather than a noncommercial station. Accordingly, as W227BE is of the same facility type as its primary station, WHMX, W227BE’s correct facility type is noncommercial.
