

**EXTENSION OF STA**

KRCA License LLC, licensee of W17DG-D, Miami, FL (Fac ID 4332), hereby requests an extension of its special temporary authority to operate on channel 18 for an additional six months. Since the Commission granted the STA on July 9, 2019, KRCA License LLC has taken steps necessary to complete its displacement facility, but is still awaiting the issuance of the required building permits. Accordingly, W17DG-D has been unable to commence service from its displacement facility, necessitating an extension of the STA.
