

TECHNICAL EXHIBIT
Request for Special Temporary Authority
Experimental ATSC 3.0

FACILITY: KPVM-LD, FI 168335
PAHRUMP NV
KVPM TELEVISION INC

Applicant has been operating with STA File # 0000051928 since it was granted 9/13/18.

The Applicant would like to begin to experiment with the ATSC 3.0 format at this location and possibly simulcast with ATSC 1.0. The Applicant would like to continue operating with the current ATSC 1.0 format while acquiring the necessary equipment to transition to ATSC 3.0.

This will be a change of format and all technical parameters of the original STA remain intact.

A notice to viewers will be broadcast on air by PSA or by "crawl" at the appropriate time when ATSC 3.0 can be implemented.

The Applicant certifies that it will comply with all FCC technical and programming rules that apply to the applicant stations ATSC 3.0 service or ATSC 1.0 simulcast service. The applicant believes it is in the public interest to begin to provide this service.

No new construction. NIER is less than 5% of the limit for this service; no new tower construction is planned.
