

## **CONSTRUCTED POST-AUCTION FACILITY**

The WALV-CD Channel 17 post-auction facility was built-out pursuant to the underlying construction permit (File No. 0000028083).

## **SPECIAL CONDITIONS**

### *Notifications to Health Care Facilities*

The required medical notifications specified in the post-auction construction permit have been completed.

### *Notification to AM Station (WWWL-AM)*

A partial proof of performance, as specified in the post-auction construction permit, to establish that the AM array for the WWWL-AM facility “has not been adversely affected” is not required pursuant to the attached AM Protection Certificate of Compliance certified by Lawrence Behr Associates, Inc. (LBA Group).

Accordingly, the Special Condition requirements depicted in the station’s post-auction construction permit have been satisfied.

## **CERTIFICATION**

This technical statement was prepared by William T. Godfrey, Jr., Engineering Associate with the firm Kessler and Gehman Associates, Inc. having offices in Gainesville, Florida, and has been working with the firm in the field of radio and television broadcast consulting since 1998.
