Subject: FCC's FRN Manager -- WQNA Facility ID #8603 Added to Covenant Network's FRN

WQNA is still associated with Capital Area Career Center's FRN, but is also associated with Covenant Network. This is for purposes of filing an FCC Form 301 minor change application pursuant to Section 73.3517(a). I'd like Brian to confirm that his client does not have an objection to us filing this application.
