**KSEC-FM Online Public Inspection File**

LA ZETA 957 INC. Is the licensee of **KSEC-FM** (Facility ID No. 34795), Bentonville, AR. Our station **KSEC-FM** did not fully comply with certain online public inspection file (OPIF) requirements as provided in Section 73.3526 of the Commission’s rules.<sup>1</sup>

LA ZETA 957 INC understands it has an obligation to fully comply with the Commission’s rules, including all deadlines for uploading required material to **KSEC-FM**’s OPIF. However, as the Commission knows, the transition to the OPIF has been challenging for a number of radio stations, especially stations with small staffs, such as **KSEC-FM**. Errors were discovered while preparing for the filing of the **KSEC-FM** renewal. As a result of these errors, LA ZETA 957 INC has put together a procedure to ensure that all documents are timely uploaded to the OPIF.

**Q1-4 2014, 2015, 2016, 2017 Issues Programs Lists and Political Files.**

LA ZETA 957 INC (**KSEC-FM**) did not realize that it was supposed to upload “legacy” documents into the issues/program list and Political Files to OPIF, but assures that all reports were timely prepared and placed in the paper public file which was disposed of soon after the 3/1/2018 conversion date. After that, **All 2018 and 2019** files were kept in the main studio, but not uploaded on time, they have all being uploaded to OPIF recently.

**EEO.** KSEC-FM, has had less than 5 employees every year since the last license renewal.
