

Request for Special Temporary Authority to Operate at Reduced Power

Word of God Fellowship, Inc. (“WOGF”), the licensee of low power television station WHVD-LD, Huntsville, Alabama, hereby respectfully requests Special Temporary Authority to operate at a reduced power of 0.368 kW ERP. This is necessary so that WOGF may complete construction of its displacement permit for channel 35 (See File No. 0000054484). WOGF requests that it be granted a 180 day STA for the WHVD-LD facility or until such time as all construction is complete.
