**Subject:** 0000105586 - More than 30 miles/No Overlap

Good morning,

In evaluating 0000105586, it appears that this application is more than 48 km from the current licensed facility 0000022154 (75 km away), and has no contour overlap with that facility. You have 30 days to correct this issue or the application will be dismissed.

Thank you.
