

KCNS, San Francisco, CA (Fac. ID No. 71586)
Reduced Power Notification
February 18, 2020

RNN National operating the licensee of KCNS, San Francisco, CA hereby notifies the Commission that as of February 16, 2020 KCNS is operating at reduced power due to a cooling system failure in one cavity of its transmitter. KCNS is currently operating at 50% of its authorized power. KCNS will resume full power at the time Phase 8 repack is complete on March 13, 2020. In the event that the station cannot resume full power operation by March 16, 2020, RNN will seek special temporary authority for KCNS to continue to operate at reduced power until full power operation can be restored.
