On Wednesday, Dec 11, 2019 we were notified by NBC that some feeds of Earth Odyssey A and Earth Odyssey B for airing on Nov 30, 2019 had been fed without the E/I symbol . After some research, we determined we were one of the stations that aired this feed. After receiving a revised feed of these episodes, they were aired on Sunday, Jan 12, 2020 at 4:00pm and 4:30pm with the symbols included.
